

Ridleyton Greek Home for the Aged (Reg)

TABLES OF OTHER CARE AND SERVICES (ITEMISED)

Tables A and B below list the range of other care and services available to residents of Ridleyton Greek Home for the Aged.

Table A lists the other care and services provided by Ridleyton Greek Home for the Aged.

Table B lists the other care and services to which access may be facilitated by the approved provider but are provided by an external agency or contractor.

Other care and services are not covered by the resident's fees and payments (ie standard fee, means tested care fee and accommodation payment or accommodation contribution), hence the resident may be required to pay an additional charge for the relevant other care or service.

The specific costs for the other care and services listed in Tables A and B are provided upon booking, either by clinical staff (for care services) or administration (for recreational services). However, they are subject to change and the resident will be advised of the full cost prior to their agreeing to receive the relevant other care or service.
